Naughty Nick's Book

WHAT'S THE STORY?

What happens when Saint Nick chooses naughty over nice? He's here to wreak havoc, delivering more tricks than treats...

Join Naughty Nick and his rambunctious friends as they tell a different Christmas Eve tale this year...

Naughty Nick is coming to town. Yikes.

FEATURES

This isn't your ordinary Christmas slot...

Celebrate the holiday season through the eyes of a crooked Santa and his rambunctious friends and follow their mischief to a mound of Christmas presents under the tree by ripping through fun features.

Gather three or more Naughty or Nice books (Scatter symbol) on any reel to unwrap the innovative Free Spins feature. Watch as Eric Elf tears open a sixth reel on the right side of the grid to start the Free Spins round. Receive eight Free Spins to start and re-trigger the round by landing an additional three Scatter symbols on any reel – each re-trigger adds 8 more Free Spins.

When the Free Spins round begins, a random symbol is chosen as a special Expanding Symbol. Stuff 'em in the back of Naughty Nick's sled to form more winning combinations.

In the Gamble feature, take your trove of presents and try for an even bigger haul: Double and quadruple your wins by correctly picking a hidden card's colour or suite, respectively...

From the Free Spins feature gifting an extra reel to the Gamble round giving a chance to top your Christmas tree, put Naughty Nick's Book on your list for a holiday game like never before!
