ROCK THE REELS

MEGAWAYS™

Freddie Roar, the legendary lion-haired lead singer of the pride, turns symbols into multiplier wilds, which soar during your free spins.

Treble, the flamingo on lead guitar can't resist the spotlight for too long. With one pluck from her axe, she turns the symbols into the highest paying ones.

Prepare for a ferocious visit from Dirty Axel and his bass guitar, as he plays your symbols into wilds. without his band of beastly performers.

Lastly is Ozzy Eight hands using his tentacles to spread the symbols from the first reel throughout the board, whilst also being able to laydown beats on the drums.

In addition to all the rockin' features this game has, meet **THE 'BONUS UPGRADER'**.

A new feature which has the ability to buy freespins with a higher frequency of the game features, which in 'Rock The Reels Megaways' are our amazing band members.
