## Game Features

## Certified Markets

### CASCADING WINS

#### CASCADING WINS

Wild Hammer Megaways features classic cascading symbols on every win as well as the Wild Match modifier, which can be triggered on any spin with matching symbols on the top tracker.

### FREE SPINS

Four Bonus symbols will trigger Free Spins, where the player has a choice of starting combinations. Extra spins can also be won during free spins, with each Bonus symbol adding +1 extra free spin.

### WILD MATCH

#### MATCHING SYMBOLS ON TOP REEL

When at least two matching regular symbols land in the top tracker, they will become Wild and will also transform all instances of that symbol on the corresponding reels below into Wilds.

### WIN MULTIPLIER

During Free Spins a win multiplier is active, increasing by x1 for every win cascade, opening up enormous potential, especially when the Wild Match modifier is triggered with a high multiplier.
