Business Summary

Explore the twisting maze of the labyrinth and defeat the legendary Minotaur for the thrilling wins in this 6-reel, 4096 ways slot. At any point during the game, fire bowl Wild symbols add flare by multiplying wins by up to x5, while stacked Minotaur symbols appear on all reels for monster-sized wins. Earn up to 1000 free games with expanded reels and ways for even more payouts. Win 1 of 4 Age of the Gods™ jackpots on any spin!

This game supports Free Spins Bonus (FSB).

Business Case

- Wild symbols can multiply wins by up to 5× at any point in the game to offer high payout potential.
- 3 or more Scatter symbols anywhere on the reels trigger the Free Games feature, awarding up to 100 free games.
- In Free Games, the Ways Boost™ feature expands the reel size, and increases the number of ways-to-win to 14,400.
- Players can win 1 of 4 Age of the Gods™ progressive jackpots on any spin.

Symbol Details

WILD SYMBOL

The fire bowl symbol with the letter 'W' is a **WILD** symbol in the game. The WILD symbol appears on reels 2, 3, 4, 5 and 6 only.

WILD symbols substitute for any other symbol, except for the SCATTER symbol, to form the best possible winning combination.

The **WILD** symbols can randomly multiply wins by x2, x3 or x5 during the main game and **Ways Boost™ Free Games** feature.

SCATTER SYMBOL

The '**FREE GAMES**' symbol is the **SCATTER** symbol in the game. 3 to 6 SCATTER symbols appearing anywhere simultaneously on the reels trigger the **Ways Boost™ Free Games** feature.

If 2 to 6 **SCATTER** symbols appear anywhere simultaneously on the reels during **the Ways Boost™ Free Games** feature, extra free games are awarded.

Game Features

Ways Boost™ Free Games

Whenever 3 to 6 **SCATTER** symbols land anywhere on the reels during the main game, the **Ways Boost™ Free Games** feature is triggered.

The **Ways Boost™ Free Games**™ is played on an expanded 4-5-6-6-5-4 grid increasing the number of ways-to-win to 14,400.

The more **SCATTER** symbols that trigger the **Ways Boost™ Free Games** feature, the more free games are awarded:

- 3 **SCATTER** symbols trigger 8 free games
- 4 **SCATTER** symbols trigger 15 free games
- 5 **SCATTER** symbols trigger 25 free games
- 6 **SCATTER** symbols trigger 100 free games

Additional free games can be awarded when 2 or more **SCATTER** symbols land anywhere on the reels during the **Ways Boost™ Free Games** feature:

- 2 **SCATTER** symbols trigger 5 additional free games
- 3 **SCATTER** symbols trigger 8 additional free games
- 4 **SCATTER** symbols trigger additional 15 free games
- 5 **SCATTER** symbols trigger 25 additional free games
- 6 **SCATTER** symbols trigger 100 additional free games

The maximum number of free games the player can trigger and retrigger is 1000.

Age of the Gods™ Jackpot

The **Age of the Gods™ Jackpot** is a multi-level mystery progressive jackpot that is linked to the Age of the Gods™ series of games.

A small percentage of each bet placed in any of the Age of the Gods™ games is added to the progressive jackpot. The percentage of all bets placed is split between four jackpot levels, which are displayed in the upper part of the game screen, above the reels.

Any level of the **Age of the Gods™ Jackpot** can be won through the jackpot game, which can be triggered randomly after any main game spin in any of the Age of the Gods™ series of games. It is not triggered by any symbol combination, and even a main game spin that does not result in a win can trigger the jackpot game. Triggering the jackpot game is possible at any bet size, but the chances increase or decrease proportionally with the size of the bet.

Entering the jackpot game guarantees a win of 1 of the 4 jackpots: **Power Jackpot**, **Extra Power Jackpot**, **Super Power Jackpot** and **Ultimate Power Jackpot**. The 4 different jackpot levels represent different prize amounts, with the Power Jackpot awarding the smallest prize and the Ultimate Power Jackpot awarding the highest. The jackpot game screen shows 20 face-down coins. Clicking on a coin will reveal 1 of 4 jackpot symbols. Each jackpot symbol corresponds to 1 of the 4 progressive jackpots. Once 3 matching symbols have been revealed, the corresponding jackpot level will be awarded. The jackpot winnings are added to the main game winnings from the triggering spin (if any) and are displayed in the Win field, together with any other winnings.

Proprietary and Confidential

The **Age of the Gods™ Jackpot** game has a timeout timer. If a matching set of coins is not revealed by the player before the set amount of time elapses, coins will be revealed automatically, and the corresponding jackpot will be awarded.

The Jackpot for this game works like this:

Seed (how much money the Jackpots start out with):	Power: €50 Extra Power: €500 Super Power: €5,000 Ultimate Power: €100,000
Contribution rate (what percentage of each bet goes into the Jackpot):	0.99%
Win condition (the result the player has to get to win the Jackpot):	Entering the jackpot game guarantees a win. Match 3 jackpot symbols of the corresponding jackpot or wait for the timer to run out.
Win requirements (what the player needs to do to be eligible for the Jackpot):	Play a game linked to the Age of the Gods™ Jackpot.
