ROAMING WILD

Whenever a WILD symbol hits in the base game it pays and remains on the screen. On the next paid spins it will move one spot up towards the edge of the screen, until it leaves the screen. Changing bet while WILDS are on the screen will remove them from the screen and the next paid spins will start without roaming WILDS.

FREE SPINS

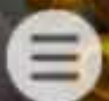

Hit 3, 4 or 5 SCATTER symbols in the base game to trigger 6, 9 or 12 free spins. During the FREE SPINS round, whenever at least one WILD symbol hits it will retrigger a respins session. The game will keep respinning for free, all WILDS on the screen will move one position up towards the edge of the screen and wins are awarded between each respin, until there are no more WILDS on the screen. Every time a respin happens, a win multiplier that applies to the total win of each respin increases by 1x. The multiplier keeps increasing until respins end and it is reset at the end of the session. Hit 3 or more SCATTER symbols during the round to retrigger the feature and get 5 more free spins. No limits! Special reels are in play during the round.

MAX WIN

The maximum win amount is limited to 5,000x bet during the base game and the FREE SPINS respin round. If the total win reaches 5,000x bet the round immediately ends, win is awarded and all remaining features are forfeited.
