DESCRIPTION

To all fans of Sun of Egypt from Booongo! It's a great time - the sequel to the TOP Booongo's slots is LIVE NOW! Sun of Egypt 3 - 5x3, 25 lines slot with loved and well-known ancient pharaohs and legends welcome all players in search of treasure and wealth! This time welcome Free Spins, Bonus Games, Super Bonus Game on top, Mystery Symbols, and, of course, Jackpots!!! 3 Scatters symbols in Main Game trigger 8 Free Spins and if you catch 3 more Scatters symbols during Free Spins Session you get 8 additional Free Spins. This game is rich in Bonus symbols and the Bonus Game can be very generous: 6+Bonus trigger Bonus Game and here are your 3 respins at the beginning of the Bonus Game. Each new bonus symbol on the reel resets a number of the respins to 3. Mini, Minor, Major, Grand Bonus symbols randomly appear during the Bonus Game and give the corresponding Jackpot. The bonus game runs until you keep getting respins or all 15 Bonus Symbols of any type collected and you get Royal Jackpot!!! All bonus symbols stick on the reel during the bonus game, when Bonus Game comes to an end all Bonus symbols' values sum up and Bonus Win is paid. Seems just the Bonus Game was not enough and this time we add Super Bonus Game!!! 5+Bonus and One Super Bonus symbol bring you to Super Bonus Game. Plus Super Bonus symbol in Bonus Game triggers Super Bonus Game. During the Super Bonus Game, all Bonus Symbols transform into Super Bonus Symbols with higher values. Super Bonus Symbols can be cached in the Main Game and Free Spins Session on the 5th reel or on any reel during the Bonus Game. Keep in mind Mystery Symbols which can transform into Mini, Minor, Major, Grand, or Super Bonus symbols. Mystery symbols appear in the Bonus Game ONLY and you can collect several of them. Symbols will be effectively opened at the end of the Bonus Game one by one and can bring you more nice surprises! As it comes with every Booongo release, Sun of Egypt 3 is dressed with amazing Egypt-theme graphics, maintained by atmospheric music and Hold and Win mechanics with Mystery symbol feature.

RANDOM NUMBER GENERATOR

The algorithm used for random number generation (RNG) is Quantis, physical random number generator exploiting an elementary quantum optics process. Quantis has been evaluated and certified by the Swiss Federal Office of Metrology (also known as METAS), the Swiss national organization in charge of measurement science, testing and compliance. It confirmed that the quality of its random output complies with the highest requirements. See the Certificate of Conformity and read the Test Report on idquantique.com.

Quantis has also been evaluated by Compliance Testing Laboratory (Bangor, UK), which confirmed that it is "suitably unpredictable and fit for purpose". Download certificate in PDF format: https://goo.gl/PYKwAF.

RNG used by Booongo Entertainment N.V. was certified by Quinel M Ltd testing laboratory.
