## Game Features

### Scatter

Raccoon Scatter symbol can only land on the middle four reels. Landing a Scatter will allow all reels to the right to expand to one extra position. Landing 1/2 Scatter(s) will convert to an xWays symbol. Landing 3/4 will trigger Bonus Meal.

### Infectious xWays

These can only land on middle 4 reels. xWays symbols will transform into a regular paying symbol. A symbol of 2-4 in size will be revealed and increase the number of win ways. Infectious xWays symbol can only land on the first reel and will reveal a symbol of 2-7 in size. It will turn all symbols on that reel to become 2-7 in size. xWays and Infectious xWays symbol can only land in the main game and reveal the same symbol.

### xBet

Chase the dinner plates by increasing the base bet with +30%. Got a bigger appetite? Increasing your bet will increase the chance to trigger the Bonus Meal. Guaranteed Scatter symbol on the second reel.

### Infectious Wild

A Wild that lands on the last reel will nudge to bottom position, with each nudge increasing the Wild multiplier by 1. The final Wild multiplier will also be added to each symbol on the last reel.

### Bonus Meal
