

Super Heated Sevens returns as a classic fruit-themed 6x4 reel slot, this time with 40 paylines. Features include Stacked Symbols that offer players greater chances to win, plus scatter wins anywhere on the screen.

WILDS appear on reels two, three, four, and five only, and substitute for all symbols except Scatters. SCATTER wins are awarded for symbols appearing on any position on the reels.

40 Super Heated Sevens includes a double-or-nothing GAMBLE FEATURE by which winnings can be gambled up to five (5) times. Press the Gamble button to gamble any win. Then select the red or black card. The win is doubled on the selection of the correct card.
