Sharpen your sword and start the battle for treasures in our new slot game - Kings of Crystals!

Kings of Crystals is a very high volatility video slot game with variable reels and paylines. During the base game there are 5x4 reels with 40 active paylines and it contains 3 differently coloured Scatters to look out for: red, green and blue crystals. Landing even only one Scatter may already trigger Free Spins. The red, green and blue Scatters each have their own Free Spins feature. Become the lucky king of crystals by collecting all differently coloured Scatters on the same spin and be awarded with King of Them All Free Spins, where all features are active throughout the session!

Free Spins with the red Scatter include the Nudging Wilds and 5x6 reels with 100 active paylines, where landing at least one Wild symbol will make the reel nudge and fill all positions with this valuable symbol.

Free Spins game triggered by the green Scatter contains the Jackpot Collection. During this Free Spins feature, there is a special Coin symbol, that may reveal a cash prize or a gold, silver, bronze or blue letter. Collect all the letters to complete the Grand, Major, Minor or Mini Jackpot name and the associated jackpot is yours. The main prize is the Grand Jackpot of 10 000x the current bet!

Free Spins with the blue Scatter bring the Line Win Multiplier into the game. On each spin 2x, 3x, 5x or 10x multiplier is randomly awarded to increase the payline wins.

Be brave and fight well in the battle!

Sharpen your sword and start the battle for treasures in our new slot game - Kings of Crystals!

Kings of Crystals is a very high volatility video slot game with variable reels and paylines. During the base game there are 5x4 reels with 40 active paylines and it contains 3 differently coloured Scatters to look out for: red, green and blue crystals. Landing even only one Scatter may already trigger Free Spins. The red, green and blue Scatters each have their own Free Spins feature. Become the lucky king of crystals by collecting all differently coloured Scatters on the same spin and be awarded with King of Them All Free Spins, where all features are active throughout the session!

Free Spins with the red Scatter include the Nudging Wilds and 5x6 reels with 100 active paylines, where landing at least one Wild symbol will make the reel nudge and fill all positions with this valuable symbol.

Free Spins game triggered by the green Scatter contains the Jackpot Collection. During this Free Spins feature, there is a special Coin symbol, that may reveal a cash prize or a gold, silver, bronze or blue letter. Collect all the letters to complete the Grand, Major, Minor or Mini Jackpot name and the associated jackpot is yours. The main prize is the Grand Jackpot of 10 000x the current bet!

Free Spins with the blue Scatter bring the Line Win Multiplier into the game. On each spin 2x, 3x, 5x or 10x multiplier is randomly awarded to increase the payline wins.

Be brave and fight well in the battle!
