## Deep excitement awaits

Crystal Golem is a cascading 20 winline slot with a brand-new mechanic in play: **SuperSpinners™**. This feature allows individual line wins to be multiplied by up to 400 times, paying as much as 20'000x! This creates for highly potent but also fast-paced entertainment, as there's more things to look out for with SuperSpinners™ in play.

Land three Crystal Scatters to enter the Free Spins, where the Wild Golem symbol can be upgraded, allowing it to persist multiple wins in a row. Retriggers are also possible by upgrading the Golems on each reel.

## Cascades, SuperSpinners and Bonus Buy

The base game is a typical 20-line game with cascades in its foundation, but it comes alive thanks to the all-new SuperSpinners™. Any winline going through a spinner has the chance to be multiplied, and all winning spinners will be guaranteed to get a multiplier for next cascade. Should patience falter Bonus Buy is also available.

# FREE SPINS

## Evolving Golems

When Wild Golem symbols come in contact with Empowered Spinners, they will Evolve! Each stage of evolution allows the golems to stay on the reels after winning one more time.

## Retrigger

Upgrading each reel at least once will award +4 free spins. Upgrading each reel twice will award an additional +4 free spins.
