DIAMOND HEIST

During respins, 15 spaces are initially available to land diamonds but green keys will open extra rows, giving up to 30 spaces. Look out for the Mini, Major and Mega diamonds, worth a whopping 100x, 250x & 500x.

FREE SPINS

Triggered by landing 3 or more bonus symbols, Free Spins features a win multiplier which increases by x1 for every spin, offering huge potential on later spins, and even more so with lucrative retriggers possible.

HEIST MODE

Three Detonator symbols are needed to trigger Heist Mode, with 20 spins awarded and extra diamonds added to the reels - land 5 diamonds on any Heist Spin to enter the vault and play Diamond Heist Respins.
