In Hyper Star, as the name suggests, watch out for the Wild Star, a symbol that's going to be useful in several ways. For one, you get to use it as a substitute, and it is a symbol that will fly to the pot on top of the game to give you a chance to trigger the Jackpot Bonus and win one of the static Jackpots. It's also capable to ease you into the free spins as it is substitute for the free spin symbol.. big plus!
