WHO NEEDS A SACK WHEN YOU'VE GOT A STACK!

'Twas the night before Christmas, and no slots were spinning. Fingers were still and silence was far and wide. Out of the darkness came a distant cry, "Santa's Stack is a game we must try! Now, Rudolf, Dasher, Dancer, Prancer and Vixen, on, Comet, on, Cupid, on, Donner and Blitzen! Tonight, the presents can wait a minute; 20,000x we can win, and we're all in it!"

Join the Christmas clan in this festive delight where festivity is on an 8x8 grid, nestled against a retro-style winter wonderland. For fans of the cluster mechanic, this is the gift that keeps giving! Create wins through clusters of five or more matching symbols, with wilds, respins, and the Secret Santa Feature set to help you along.

Landing 3 or more Christmas Trees awards the Free Spins feature and 5 Free Spins. The more trees, the more spins - with a max. of 8! With the Secret Santa Feature permanently in action from the initial spin and increasing in size after each one, the chances of being showered in gifts escalates.

Players can relive the excitement of Christmas Day as many times as they wish through the Feature Buy option, which is also handy for anyone who's a little impatient unwrapping gift.

FEATURES

SECRET SANTA RE-SPIN FEATURE

The Secret Santa feature is triggered when a Wild symbol is part of the winning cluster. Once the feature is triggered, the winning cluster will convert into mystery symbols and a re-spin will be awarded with the mystery symbols held in place. Every time a win occurs adjacent to the previously formed mystery symbols, the new winning cluster also converts into mystery symbols and awards an additional re-spin.

When there are no new winning clusters formed including a wild, or adjacent to mystery symbols, re-spins will end and all mystery symbols reveal the same symbol.

FREE SPINS

Free Spins are triggered by landing 3 or more Bonus symbols on the reels. 3 Bonus symbols trigger 5 free spins and every additional Bonus symbol will award an extra spin.

During free spins, the Secret Santa feature is active and wild symbols are guaranteed to land at the start of every spin. The number of wild symbols guaranteed to land increases by one every spin, starting with one wild symbol in the first spin.

Landing Bonus symbols during the free spins can award you one of the following: +1 Additional Spin, +1 Multiplier or +1 Additional Spin and +1 Multiplier

WIN UP TO 20,000X YOUR BET!

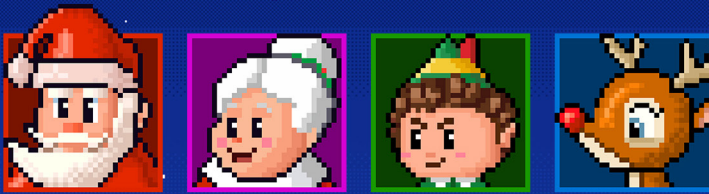

If the sum of all wins achieved in free spins reaches 20,000x bet or higher, the player is awarded 20,000x bet for the whole round.

BUY FEATURE

Buying "Free Spins" will cost 100x the reference bet size, and starts a round with a guaranteed free spins trigger.
