THOR'S VENGENCE

Thor's Vengeance is a 6x4 slot with the top 2 centre symbols replaced by Thor's Win Multiplier shield. The reels are set in the frozen tundra of the Viking north with a dramatic lightning-streaked sky. The Nordic-style tiles range from playing card symbols to the higher-paying raven representing Huginn and Muninn, Fenrir, the monstrous wolf, Yggdrasil, the mythical tree and the highest-paying symbol, Thor himself. The soundtrack is suitably dramatic and combines with thunderous noise and flashes of lightning to transport players to this mythical age of luck and victory!
