SPLITTING WILDS

Splitting Wild Respins can trigger on any spin by landing a Wild on any of the middle 3 reels. Each one that lands will trigger a respin and split into two Walking Wilds, moving in opposite directions to the original wild.

WALKING WILDS

Walking Wilds also have a multiplier attached which increases by x1 for each step moved, up to a maximum of x3 per Wild, while if two Walking Wilds collide on reel 3, this becomes a stacked Wild Reel for that respin.

DRAGON GATES

Dragon Eggs on 3 consecutive respins will trigger the Gates of Fire and Magic, awarding either The Collector, which collects all values, or Dragonfire Multipliers, which turns 3 positions on the grid into multipliers.

HOLD & WIN RESPINS

Five or more Dragon Egg symbols will activate Dragonfire Hold & Win Respins, where the player is awarded 3 respins which reset every time a new Egg lands, with each revealing either a cash value or one of 3 Jackpots.
