Merlin's Grimoire

WHAT'S THE STORY?

Young and inexperienced Merlin must seek out the Grimoire.

An ancient book of spells that not only holds the secrets to the art of magic but Merlin's destiny.

Will he become the wise wizard that we all know today?

FEATURES

A new addition to our popular Arthurian Legend Series.

The game focuses on the Expanding Symbol feature which is similar to other games in the Book of Dead style games fans will be pleased to hear. Starting off covering just three reels in the base game players have the potential to expand this over all five reels during the Free Spins upping the potential to 7776 ways to win.

It's evident that the designers behind this game have dedicated their attention to every detail from the background to the symbols to the animations for a game that truly conjures magic on the reels.

MEET THE CHARACTERS

MERLIN

We meet Merlin in his younger years before he became the wise white-haired wizard to sit beside King Arthur as his royal advisor.

IN-GAME ARTWORK

Merlin's Grimoire harbours mystical symbols in rune-like styles to complement the mystical theme of the title.

On the backdrop of an enchanted wood the Grimoire itself serves as a symbol on the reels. Immerse yourself in the magical world of Merlin.
