GAME FEATURE

Magic Staff Bonus

The Magic Staff Bonus feature begins after all payline wins are shown and there is a Bonus symbol on the board. The charge button is pressed repeatedly to build the multiplier until the round ends (or press auto charge), revealing the final Win Multiplier. The player wins the bet amount multiplied by the Win Multiplier.

GAME FEATURE

Winning Wilds

In addition to substituting for any symbol (except Bonus symbol), landing 3 WILDS can give up to 2000x the bet depending on the winline involved (see page 7 for win amounts associated to winlines). In addition, a wild guarantees a minimum win of 0.4x the bet amount regardless of the other symbols on the winline.
