Below it, the word "FORTUNE" is written in a smaller, bold, yellow font with a 3D effect. The background of the wheel is dark blue and black, with several curved, glowing yellow and blue lines that suggest motion or a wheel's segments. The overall design is dynamic and energetic.

A nod to the TV age

Inspired by the aesthetics of 1980s TV game shows, the film set used for Turbo Fortune is unapologetically flashy and loaded with colour.

All gameplay action was shot and edited by cinema-industry professionals to ensure Hollywood-quality visuals and always-crisp sound.
