ABOUT THE GAME

The wild book tells of the once forgotten tower in the dungeons of mount Argol and the creatures that guard the hidden treasures of the once great king. Explore the dungeons in this exhilarating 5×5 video slot with grid pays. Three or more linearly matching symbols (vertically or horizontally) constitute a win. Symbols involved in a win are removed. 1-3 Wilds are randomly placed in the empty spots, increasing the reel multiplier. These wilds are not removed until they are part of a win. A cascade is initiated filling all remaining empty spots. Wilds substitute for any other symbol except the Scatter.

When 3+ scatters land on the reels it unlocks the Monster Free Spins bonus game.
