GAME DESCRIPTION

STAKELOGIC
THINK BIGGER

Outlaws Hunter is a 50 win line slot game, about a Sheriff who's tasked with hunting down 5 dangerous Outlaws. Help the Sheriff catch them, but be careful, every outlaw is a wild symbol and will expand with a multiplier value. The Outlaws Angry Bear won't expand but will trigger the Tomahawk Storm feature, this feature will fly in some Tomahawk axes that will hit all the low paying symbols and will transform them into Wild symbols. 3 or more Scatter symbols will trigger the Free Spins, where the Fortune Wheel will define the number of spins, every Wild symbol that lands in the game will stay sticky for all the Free Spins, and will show a multiplier value that will be added to the Total Multiplier Counter. Every win in the Free Spins will be multiplied by this Counter.
