

THE HUNT IS ON

Join the fearless Huntress in her quest for revenge on the beast who killed her kin. The wild beckons anyone looking for a breath of fresh air in this unique adventure from Print Studios.

In a new twist on our beloved SuperSpinners mechanic, this game features expanding wilds that stick on the reels and grant a global multiplier based on the spinners. Still, Wild Huntress is not for the faint of heart. A brand new, thrilling, gamble mechanic preludes the free spins that allows the bold to win big and thus unveil the Huntress's fate.
