# Introduction

It's all about the player! ...

An exciting new era has begun here at iSoftBet and, following on from the major acclaim of our 2020 releases, we are ready to smash the high bar we have set for ourselves in 2021.

We already have a really strong portfolio of MegaWays slots and have some hugely anticipated new titles coming up, which we believe will change the way you play and appreciate the MegaWays genre.

Our feature packed Hold&Win game, Gold Digger, broke all records on release last year, quickly becoming a huge player favourite and paving the way for some incredibly innovative new Hold&Win titles in 2021.

Meanwhile, some of our proprietary features, such as Bonus Chance, have been tinkered with by our expert mathematicians to give a better all-round player experience as we constantly strive to improve everything we do.

We are all passionate slot players and we design our games, first and foremost, with the player in mind. Here's to a slot-filled and successful 2021!
