Business Summary

Gather spicy symbols in this 6-reel, collapsing slot game with up to 262,144 ways to win. Collapsing reels increase the number of rows and allow even more wins to land. This game supports Free Spins Bonus (FSB).

Symbol Details

BONUS Symbol

When 3 **BONUS** symbols land simultaneously anywhere on the reels, player wins 10 free games. 4 **BONUS** symbols trigger 12 free games, 5 **BONUS** symbols trigger 20 free games and 6 or more **BONUS** symbols trigger 25 free games.

WILD Symbol

The **WILD** symbol substitutes for any other symbol, except for **BONUS**, **TNT** and **PIÑATA** symbols, to form the best possible winning combination.

Piñata Symbol

When the **PIÑATA** symbol lands anywhere on the reels, it stays on the reels after all wins are paid, all **Hot Chillies** symbols exploded and a collapse result in no new wins, and then adds random **WILD** symbols to the reels.

Hot Chillies Symbol

The bunch of 3 chillies with the word 'HOT' is the **TNT** symbol in the game.

Whenever the **TNT** symbol lands, it stays on the reels after all wins are paid, and a collapse results in no new wins. The **TNT** symbol then changes into a **WILD** symbol and explodes all adjacent symbols around it, except for **BONUS**, **PIÑATA**, **WILD**, and big symbols.

Game Features

Bonus Symbol

The symbol with the word 'BONUS' on it is the **BONUS** symbol in the game.

When 3 **BONUS** symbols land simultaneously anywhere on the reels, player wins 10 free games. 4 **BONUS** symbols trigger 12 free games, 5 **BONUS** symbols trigger 20 free games and 6 or more **BONUS** symbols trigger 25 free games.

Piñata Symbol

When the PIÑATA symbol lands anywhere on the reels, it stays on the reels after all wins are paid, all Hot Chillies symbols exploded and a collapse result in no new wins.

When the feature triggers, the triggering PIÑATA symbol turns into a WILD symbol and a big piñata appears in the foreground.

The piñata is hit, spreads chillies in the air, and eventually explodes, adding up to 8 WILD symbols on random symbol positions.

Hot Chillies Symbol

The bunch of 3 chillies with the word 'HOT' is the TNT symbol in the game.

Whenever the TNT symbol lands, it stays on the reels after all wins are paid, and a collapse results in no new wins. The TNT symbol then changes into a WILD symbol and explodes all adjacent symbols around it, except for BONUS, PIÑATA, WILD, and big symbols.

When the TNT Symbol explodes, the reels grow, and new symbols fall, potentially causing additional wins to form.

Big Symbols

Every symbol in the game, except for WILD, BONUS, HOT CHILLIES or PIÑATA symbols, can appear as 2x2 or 3x3 big symbols. When a big symbol lands on the reels, it crushes and removes all smaller symbols under it, except for WILD, BONUS, HOT CHILLIES or PIÑATA.

Note: 3x3 sized symbols can only crush 2x2 sized symbols that are fully under them.

Growing Reels Feature

The Growing Reels Feature is active both during the main game and the Free Games feature.

The basic grid size is 4x6. After every collapse in the same round, the grid size grows by 1 row and increases the number of ways to win. The grid size can reach a maximum size of 8x6 per round.

Winning symbols disappear after they pay out, causing non-winning symbols above them to drop and new symbols to fall from above.

The reels will continue to collapse until no new winning combinations are formed.

The reels will return to a 4x6 grid when no new winning combinations are formed.

Free Games

3 or more **BONUS** symbols anywhere on the reels trigger **Free Games**.

To start **Free Games**, press CONTINUE on the congratulations pop-up screen.

- 3 BONUS symbols trigger 10 free games.
- 4 BONUS symbols trigger 12 free games.
- 5 BONUS symbols trigger 20 free games.
- 6 or more BONUS symbols trigger 25 free games.

The reel size grows by 1 row each time the reels collapse. During **Free Games**, for every new spin that results in a win or **TNT** explosion, the safety level, that appears only during **Free Games**, grows by 1 allowing for more ways.

The safety level guarantees that from the next spin the additional row will remain open until **Free Games** end.

If 3 or more **BONUS** symbols simultaneously land anywhere on the reels during the **Free Games** feature, 3 extra free games are awarded.

When the **Free Games** feature ends, press the **CONTINUE** button on the resulting pop-up screen to return to regular gameplay.
