GAME DESIGN

Game Theme and Graphics

9 Line Fortune is a straight forward 3 reel slot but with the glitter and glamour of the Wheel of Fortune show.

Let this slot drag you into the exciting Wheel of Fortune feature and win big!

Main Game

The main game is played on 3 big reels. The 9 win lines offer you 9 chances to win. If this is not enough, the Jackpot symbols will help to increase your chances and will substitute for almost any symbol to complete winning combinations.

On top of this some of the Jackpot symbols contain a multiplier as well and will boost your winnings even more!

Fortune Game Feature

3 Fortune symbols on a pay line will trigger the "Wheel of Fortune". Swipe the wheel for big prizes. Land the small wheel on a green segment and you may spin again, and again and again...

Win spins and Nudges

If a spin did not result in a win there is always a chance that you will be offered a Win spin or a Nudge which will turn a losing game into a win after all.

Win spins and Nudges are free and will cost no bet.

Rules

All prizes are on 9 pay lines.
Line wins are added.
Malfunction voids all pays and plays.
