

Set in the early 20th century, in Victorian England. Time Machine is a sci-fi game centred around a marvellous machine with the power of time-travel. The game aesthetics give a nod to the steampunk era; dark and industrial, but with more than a hint of the fantastical! Flaunting high-end animations, and a retro futuristic soundtrack, this game will certainly appeal to both sci-fi fans and those gamers preferring a higher volatility slot. The game is a 5 x 3 slot. This is our first ever game to feature the new Pay-Rise mechanic. Any win triggers the reels to open up a section and increase the number of ways, up to a maximum of 7 x 5 reel layout. The free spins feature is triggered by reaching the top level and activating 16,807 winning ways!

The game features a Pay Rise mechanic that awards a free respin for every ways win and opens up the reels one segment, for example if the player gets a win on the 5 x 3 (243 ways), the game will award a FREE SPIN and during this spin, the reels will open up to a 5 x 4 (1024 ways) via the reels rising and lighting the level segment on the left. Once a spin does not achieve a win, the reels return to the 5 x 3 layout. The maximum the Pay Rise mechanic can open up is 5 x 7 and this triggers the free spins bonus. (
