

JEWELRY CATS

Depending on the number of WILD Symbols, a maximum multiplier of 25x can be achieved.

Get the chance to increase your multiplier through the respin feature that can be retriggered.

The multiplier even applies to the Jackpot feature, triggered by filling the screen with winning combinations.

Maximum 25x Multiplier

Increase your multiplier through the retriggerable RESPIN feature. The multiplier even applies to the Jackpot Feature.

Along with Jester the cat, the treasured jewels of the Cat Kingdom appear as symbols.
