

## Yak, Yeti and Roll

Take to the tundra with two wacky companions in Yak, Yeti & Roll - the winter-themed, 5x3 cascading slot game where the next win is just a snowdrift away.

Built around Betsoft's proprietary 'trail system,' Yak, Yeti & Roll sees an eccentric Inuit inventor and his faithful yeti sidekick forging a steady path across the icy plains of the Arctic. But while the reels are packed with standard seasonal symbols - like igloos and yetis, Yak the Eskimo has redesigned the traditional reindeer-driven sled to traverse the snow in style. From his perch he points the way, while his Yeti pal uses pedal power to propel them forwards.

Every time a cascade triggers, the spiked wheels of the snowmobile gain traction, and the unlikely pair advance even further along the trail, unearthing frozen treasures as they go. These range from instant payouts to cumulative multipliers that apply to the next cascade win.

Free spins is where the payouts really start to snowball; players can pile up huge reserves of free spins, add free-spin-specific multipliers to these, and then also apply cascade multipliers to quickly turn a small win into an earth-shaking avalanche!

## Game Rules

- Yak, Yeti and Roll is a 5 reel 20 Payline cascading reel slot with a prize trail feature, cumulative cascading multipliers, wild symbols, scatter pays, a free spins feature with multipliers, cash awards, and a double up minigame.
- Game pays Left to Right.
- Each cascade in a game advances the trail. There are a maximum of 17 cascades; Trail has 17 positions and once trail is completed, no more cascades will take place.
- The trail is reset at the start of every spin.
- Win multipliers on the trail are not applied to cash awards on the trail.
- Cascade multipliers of the triggering spin are applied to all wins from subsequent cascades.
- The Free Spin multiplier shown is the final multiplier (The values are not multiplied or added together).
- Free Spin Retrigger is available.
- Cascade Multiplier multiplies the current free spins multiplier.
- Only the highest paying win on a line will be paid.
- Winnings on different paylines are added together.
- Winning combinations and payout information can be found in the PAYTABLE tab.
- Malfunction or misuse voids all pays and plays.

# Features

## Wilds and instant wins

Yetis can stand in for any other symbols and the Eskimo scatters pay an instant award when two or more appear.

## A Trail of Treasures

As the snowmobile advances, each cascade unearths frozen surprises – from free spins to instant payouts.

## Cumulative Cascade Multipliers

In the snowy wastes, multipliers freeze to one another and stack, leading to some serious wins.

## Frosty Free Spins

Payouts start to snowball in the free spins feature, with two types of additive multipliers and the chance for retriggers.
