BRILLIANT DIAMONDS: HOLD & WIN

Game Features

Certified Markets

STACKED WILDS

STACKED WILD

Wild symbols always land as full stacks and can appear on up to all 5 reels, replacing any symbols except cash respin diamonds, and offering spectacular potential when multiple stacked wilds land.

DIAMOND MODIFIER

HOLD & WIN

Look out for the Diamond Modifier, as when this strikes you are guaranteed either a big win or a respins trigger, while it can also transform regular diamonds into gold multipliers on a feature trigger.

HOLD & WIN RESPINS

HOLD & WIN

5 or more diamonds will trigger Hold & Win Respins, with each gold diamond boosting the multiplier by x1. Three respins are awarded, with only diamonds in play, and will reset every time a new diamond lands.

SPECIAL AWARDS

Either on the Hold & Win triggering spin or during the respins feature, special Minor, Major and Grand diamonds can land to boost the winnings by 20 x Bet, 200 x Bet and 1,000 x Bet respectively.
