Free Spins introduces a new symbol, the Wild Amazing symbol. As its name suggests, this symbol acts as a Wild and an Amazing symbol. Its dual function is visually represented by applying the prismatic coloring of the Wild symbol to the Amazing symbol, the lucky four-leaf clover coin. The Wild Amazing symbol only appears on the roaming Amazing Wild Reel that is designed to get players into the Amazing Link™ feature more often and to connect more line wins during free spins.

To trigger the Pick feature, collect Amazing symbols to the pot of gold. When triggered, coins shower the screen to reveal a pick field of 12 lucky coins where players pick their way to a matching trio to win one of the main featured prizes. This includes the Mega at 5,000x the player's bet!

This game is one of SpinPlay Games' most fantastical productions so far! It's wrapped in vivid colors and adorned with lucky charms! The pot of gold at the end of the rainbow eludes us no more!
