Hooligan Hustle

Hooligan Hustle is a 5-reel video slot game with 243 payways.

On random spins a symbol can be randomly chosen to split into two. All instances of that symbol will then split. Any symbol can split except Scatter. Mystery Symbols can also land on any spin. They reveal matching symbols of any type except Scatters.

On the random spins the Rumble Row reel modifier will activate above the reels. This can award various features to the reel below it. The Wild Reel will land a full reel of Wilds. Double Trouble will sync the symbols on that reel with the reel before it. X2 Multiplier will award a x2 Multiplier to all wins from that reel.

3 or more Scatters trigger Free Spins. There is a choice of 3 Free Spins types. LAIRY awards 10 Free Spins with a guaranteed 2 or more Rumble Row features active on every spin. RIOT awards 5 Free Spins with a guaranteed 3 or more Rumble Row features active on every spin. ANARCHY awards 1 single Free Spin with a guaranteed 4 or more Rumble Row features active.

Splitting Symbol feature is active in Free Spins and works in the same way as the base game.
