OUTBACK GOLD: HOLD AND WIN

Game Features

Certified Markets

HOLD & WIN RESPINS

5 or more coins will trigger Outback Gold Hold & Win Respins, with each platinum coin boosting the multiplier by x1 – 3 respins are awarded, with only coins in play, and will reset every time a new coin lands.

LIGHTNING STRIKE

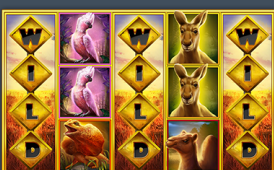

Look out for the Lightning Modifier, as when this strikes you are guaranteed either a big win or a respins trigger, while it can also transform gold coins into platinum multipliers on a feature trigger.

SPECIAL COINS

Either on the Hold & Win triggering spin or during the respins feature, special Minor, Major and Grand coins can land to boost the winnings by 20 x Bet, 200 x Bet and 1,000 x Bet respectively.

STACKED WILDS

Wild symbols always land as full stacks and can appear on up to all 5 reels, replacing any symbols except cash respin coins, and offering spectacular potential when multiple stacked wilds land.
