WILD SCATTERS

When part of a win, Wild Scatters will cause the other symbols in the win to expand to create multiple wins - and if wins are initially present with more than one symbol, you can get multiple expansions in a single spin.

BONUS ROUND

The bonus is triggered by 3 or more Scatters, with a giant feature wheel used to decide your Free Spins, one for each of the main characters in the game - Van Der Wilde, Bonney Cassidy, Buffalo Butch or Mad Dog.

EXPANDING WINS

During Free Spins, the chosen character will become a special symbol and will always expand to fill the reels when it forms a winning combination, regardless of whether a Wild Scatter is part of the win.

SUPER SPINS

The feature wheel can also award the lucrative Super Spins, leading to an epic showdown of a bonus round across 4 different games, with each character acting as the special expanding symbol on their own reels.
