We have brought your WWE legends on the slot reels to offer an action-packed and breathtaking game experience!

WWE Legends: Link & Win is a very high volatility, 5x3 reel set slot game with 25 permanently enabled paylines. The game features HyperSpins™, Link&Win™ and Free Spins with merged reels.

One of the best features in the game is Link&Win™ that would definitely excite any player and superstar. The feature can be triggered by landing at least 6 coins in the Base Game or during the Free Spins. Each coin carries a random value and you want to get those on the reels as many as possible as all prizes from the collected coins are awarded at the end of the feature. Filling all symbol positions with a coin awards additionally the Champion Jackpot of 5000x bet! When you see red, green or blue coin landing, there will be more action! Red coin adds its value to other coins, green one adds the values of other coins to its own and blue one increases the win multiplier!

Getting the 1-2-3 count anywhere on the reels awards 5 Free Spins. During the Free Spins, the three middle reels are merged into one big symbol to increase the chances to win. The big symbol counts as 9 symbols, except Scatter that still counts as one. 3 more Free Spins are awarded when 3 Scatters land during the Free Spins.

That is not all! The game has HyperSpins™ feature that allows you to re-spin any reel individually to complete a desired win combination.

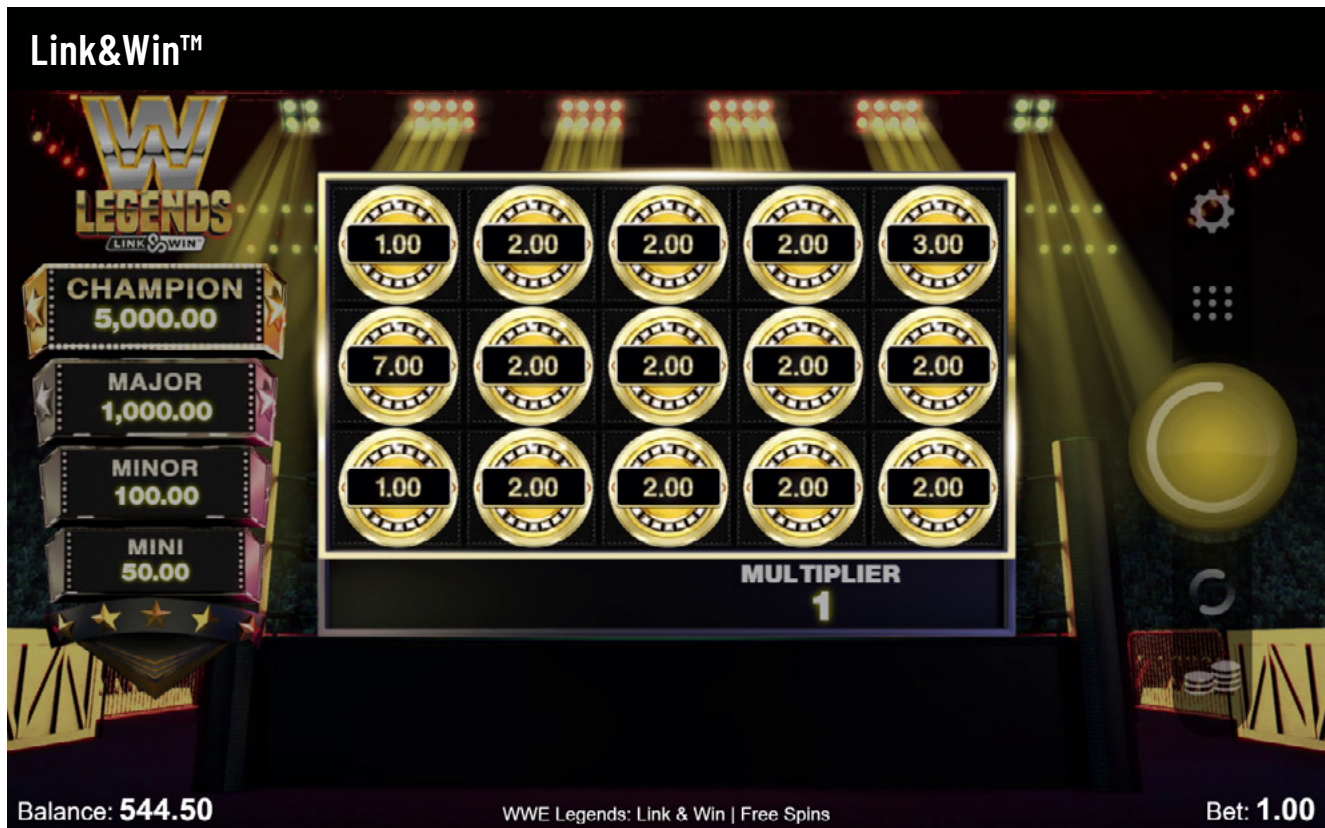

Join the epic superstars and bring the fantastic Champion Jackpot home!

## LINE RULES

This game features 25 fixed Paylines.

Line wins pay left to right.

Line wins are multiplied by the bet per line.

Only the highest win is paid per line.

## SCATTER RULES

Scatter symbol wins will multiply by the total bet staked.

Scatter wins will add to Payline wins.

The Scatter symbol will pay in any position.

The Scatter symbols are on Reels 1, 3, 5 in the Base Game.

## WILD RULES

The Wild symbol will substitute for all symbols except the Scatter and Coin symbol.

## FREE SPINS RULES

3 Scatters anywhere on the Reels trigger 5 Free Spins.

3 Scatters in the Free Spins award 3 additional Free Spins.

3 middle reels (Reel 2, 3, 4) are merged into one Big Symbol.

The Big Symbol counts as 9 symbols, but appears visually as one, except for Scatter that also counts as 1.

## LINK&WIN™ FEATURE

The game features 4 jackpots, that can be won during Link&Win™ feature: 50x, 100x, 1000x and 5000x current bet.

The jackpots are called:

MINI, MINOR, MAJOR, CHAMPION.

Jackpots must be visible during the whole game play (ie in the base game, Free Spins, Link&Win™).

The Link&Win™ feature can be triggered in the base game and in the Free Spins.

At least 6 Coin symbols must land on the reels to trigger this feature.

*Exception in Free Spins: the middle Reels (reels 2, 3, 4) are merged into one Big Symbol.*

*When the Coin lands as one Big Symbol, it counts as 3 x 3 Coin symbols.*

**Link&Win™ feature has different reels: there are only Coin symbols and empty positions on the Reels.**

Each Coin symbol carries a multiplier (1-8x, 10x, 12x, 15x, 20x, 50x, 100x, 1000x).

The value is calculated multiplying the current bet with the Coin symbol's multiplier.

The 3 highest values (50x, 100x and 1000x) are replaced with a text label (Mini, Minor, Major respectively)

**Besides a multiplier, the Coin symbol can have special functionality (such Coin symbol is called a Modifier):**

- Coin symbol with **collector** functionality: values of other Coin symbols on the screen are added to this symbol's value. The Coin is coloured green.
- Coin symbol with **multiplier increment**: this symbol increments the win multiplier by 1. The Coin is coloured blue.  
*The win multiplier is added to the Link&Win™ feature's overall win in the end of the feature. The multiplier does not apply to the Champion jackpot.*
- Coin symbol with **payer** functionality: this symbol's value is added to all other Coin symbols on the screen. The Coin is coloured red.

The Coin symbol with special functionality can land only during Link&Win™ feature.

**The Player gets 3 spins.**

When the spin resolves with at least one Coin symbol, the spin counter is reset back to 3.

Link&Win™ feature finishes when there has been 3 spins in a row without any Coin symbol landing, all 15 positions get filled with a Coin symbol or total win from all Coin symbols has reached at least 25 000x current bet.

When all 15 positions on the reels are filled with a Coin symbol and the feature win is less than 25 000x current bet, the Player gets additionally the Champion Jackpot (5000x current bet).

**When the feature finishes, all values from the collected Coin symbols are summarised.**

## HYPERSPIN™ FEATURE

The feature can be triggered in the base game by the Player.

The Respin feature allows a player to respin any single reel at a calculated cost.

A Respin button is displayed at the bottom of each reel.

The feature becomes active after the Player has made a spin on the reels and the reels have resolved: *The feature is not available on the first entry to the game (ie spin has not been made yet) and after bet change.*

The cost of the re-spin and respective button to initiate the spin are displayed next to each reel.

The cost of re-spin is calculated again after each (re)-spin.

Only wins involving re-spun reel are paid out after HyperSpin™.

## BUY FEATURE

This feature is not available in all markets (depends on the regulations).

Buy Feature allows the player to trigger Link&Win™ instantly for the fixed price of 60x current bet.

When the player starts Buy Feature, only the respective amount is deducted from the Balance (Bet amount is not deducted additionally).
