

MEDUSA™

HOT 1

Enter the lair of the seductive and dangerous Medusa where large treasures await. The Gorgon is not alone though, with numerous rivals challenging the snake-haired beauty. Medusa Hot 1 provides varied and highly potent gameplay, packaged in an attractive modern version of the proven Greek mythology theme. All focus is on the Bonus symbol, which can trigger 3 different Respin features and the Free Spin feature, while providing additional spins and sticky symbols in the Feature. During the Free Spins, Medusa will face down a horde of challengers that take over the Sticky symbols. As she turns them to dust another stronger opponent takes their place, with the win potential building higher as she progresses. The final Free Spin is the Hot 1, where Medusa herself appears as a x2 Wild.
