## Intro

DR. TOONZ is a 6-reel video slot machine, featuring dynamic payways with payway MULTIPLIERS and up to 262144 ways to win!

Winning combinations are removed. New symbols cascade into view to re-fill the empty positions to potentially form new wins. The process is repeated if new wins are continually being created. Only the highest winning combination per symbol is paid.

QUANTUMETER starts at 0 to 2 charges on each spin in the base game. Each winning cascade charges it by 1, up to 3 charges in total! Fully charged QUANTUMETER activates after all winning combinations are collected. The QUANTUMETER awards one charge feature per spin or FREE SPIN.

Each charge feature charges with a unique color. QUANTUM WILDS (blue): Adds 2 to 6 WILDS. METAMORPHOSIS (yellow): Transforms 5 to 8 symbols to another symbol. WILDS and SCATTERS are excluded! DISINTEGRATION (red): Removes all one-eyed symbols. Adds 2 WILDS to the reels!

3, 4, 5, 6 SCATTER symbols award 10, 15, 20, 25 FREE SPINS respectively. QUANTUMETER starts with 1 or 2 charges on each FREE SPIN. The feature cannot be retrIGGERED.
