RELEASE DATE: 26TH AUG.

HUGO CARTS

Hugo is in for a wild adventure as he returns to the mines.

With his lovely wife Hugolina in tow, Hugo has one goal. To collect all the gold he can carry. But, as always, nothing is that easy. Scylla is hot on their heels, and the old mine carts are rickety. Keeping hold of the gold is going to be quite the challenge.

Fast-paced with a heap of different features. Pick your character and feel the rush as you race through the mines as characters race across the reels with every re-spin. Dynamic Payways multiply the number of payways that they offer creating more ways to win with every spin.

Hold on. It's going to be a bumpy ride.
