CASCADING WINS

Tyrant King Megaways features classic cascading symbols on every win as well as Tyrant King Respins, which can be triggered on any spin when a dinosaur Wild lands on each of the middle four reels.

FREE SPINS

Four Bonus dinosaur eggs on reels 2 to 5 will trigger Free Spins, with 10 spins initially awarded and an additional tracker added below the reels to increase the maximum ways to 200,704.

INCREASING MULTIPLIER

During Free Spins a win multiplier is active, increasing by x1 for every win cascade, opening up enormous potential, especially when the Tyrant King Respins are triggered with a high multiplier.

MULTIPLE WILDS

Fill a reel with Wilds during the respins and it will turn into a Wild Multiplier, equal to the number of positions on the reel. When the respins end, all triggering symbols will reappear and resulting wins paid.
