

The Joker and sexy Jester Girl return for a new, hot summer adventure with lots of sun and surf in **Surfin' Joker**.

Surfin' Joker is a 3x3 slot game with 5 paylines, where the magic lies in these fun features: a multiplier counter awarding multipliers up to x10 and multiple ways of triggering a RESPIN during the Base Game with additional chances to win big. More exciting features include a CARD REVEAL BONUS that can award 25 Free Spins and up to 20x Win Multiplier, a Sexy Jester Girl EXPANDING WILD during Free Spins, and the possibility of winning up to 2,500x your bet in FREE SPINS.

The Joker is your Wild, which substitutes for all symbols and rewards you with the highest wins when you land three Jokers on a winning line.

Surfin' Joker also includes a BUY BONUS FEATURE and a GAMBLE FEATURE by which winnings can be gambled up to five (5) times.

A world of heat and summer fun awaits in this classic slot with an added dose of sunshine.

Game features

CARD REVEAL BONUS

Landing 9 symbols of the same kind will trigger the Card Reveal Bonus. Pick a playing card to win 5, 8, 10, 15 or 25 Free Spins with an additional Expanding Wild. A multiplier counter will award a fixed multiplier x2, x3, x5, x10 or x20 to all the wins during Free Spins.

FREE SPINS

5, 8, 10, 15 or 25 Free Spins with a multiplier x2, x3, x5, x10 or x20 to all wins.

EXPANDING WILD

During Free Spins, an Expanding Wild symbol can land on the 3rd reel only. The Wild expands on the entire reel and stays sticky for 1 spin.

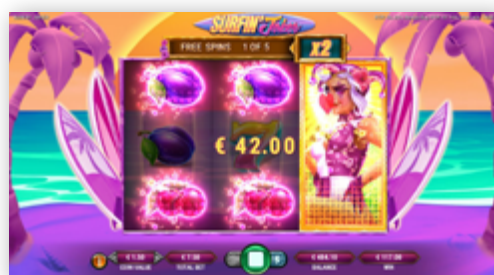

RESPIN FEATURE

The Respin feature is triggered in the Base Game only, when any 2 reels land with the same symbols or WILD symbols, and there are no winning combinations on the reels. The 2 reels with the same symbols stay sticky, and the 3rd reel re-spins for an additional chance to win.

WILDS

Substitute for all other symbols. 3x Wild symbols on a winning line award the highest win according to the payable. During Free Spins, an Expanding Wild can land on the 3rd reel only, substitutes for all symbols, and stays sticky for 1 spin.

Game features

GAMBLE FEATURE

Press the Gamble button to gamble any win. Then select the red or black card. The win is doubled on the selection of the correct card. Winnings can be gambled up to 5 times. The Gamble Feature can be enabled or disabled in the Settings menu.

If the Gamble Feature is enabled, press the spin button to collect a win and spin again. Alternatively, press the 'Collect' button to only collect a win. The Gamble Feature may be disabled in some jurisdictions.

BUY BONUS FEATURE

Striking Joker comes with a buy bonus feature that players can use to enter the Card Reveal Bonus Game. The buy bonus button takes the form of a gold coin with the GA logo, located to the left of the reels. The cost of the bonus is 75x the bet. Press the Buy Bonus Button to activate the feature. Clicking the confirm button deducts the displayed cost from the cash balance and triggers the selected feature.
