Witches: South

Version 1.0, 18/10/2021

¡Apprentices - welcome to **Witches: South**!

I am the Witch of the South and I am here to teach you voodoo without harming yourselves. I hope you're not weak apprentices because here you need to be alert and you must play well. Otherwise you could be frightened by magic.

Pick up the pins and the voodoo doll of your target and start winning great prizes.

GAME RULES

- All the prizes are given on adjacent reels starting from the leftmost reel.
- There are a number of possibilities that can be selected for bets. The selected bet appears in the "BET" marker on the main screen.
- The help screen shows the payout for the selected bet.
- All prizes are shown in the currency set by the casino.
- Only the biggest prize per line played will be paid.
- The game starts by pressing the *PLAY* button.
- The RNG determines a result and shows it graphically to the player.
- All the wins obtained are automatically and immediately credited to the account/game wallet of the player.
- The result of each game will be instantly displayed to the participant and will be maintained for a reasonable period of time.
- The winning combinations and wins are assigned based on the Paytable.
- The game rules can be viewed by pressing the "HELP" button (before and after the game).
- The average game duration will be no less than three seconds, so no more than 600 games can be played in 30 minutes.
- Malfunction voids all pays and plays.
- The autoplay option allows the user to automatically complete consecutive plays, without having to interact with the game.

AUTOPLAY

- This mode starts when the player presses the *AUTO* button and selects the number of plays he or she wants to complete.
- The player can stop Autoplay at any time and maintains control of the game during this automatic mode.
- Autoplay mode does not differ from the standard mode.
- Autoplay mode does not affect the theoretical return to player percentage of the game.

FEATURES

BONUS

This is the Bonus symbol and it can only appear on reels 1, 3 and 5 during the base game. If this symbol appears three times, you will access the bonus game.

During the bonus game, press on one of the objects to win a prize. The maximum prize that can be won in the bonus game is 50 times the stake.

FREE SPINS

This is the Scatter symbol and it can only appear on reels 1, 3 and 5. If this symbol appears three time, you will access the Free Spins round with 15 spins.

If you get three Scatter (Retrigger) symbols during Free Spins, 10 further spins will be added up to a maximum of 265 spins.

WILD

This is the Wild symbol and it can only appear on reels 2, 3, 4 and 5. It replaces all symbols apart from the Scatter and Bonus symbols.
