Game Features

CASCADING WINS

Riches of Rumpelstiltskin features classic cascading symbols on every win, with all winning symbols exploding to allow more to drop in, as well as two random modifiers in Max Megaways and Mystery Symbols.

RUMPEL RESPINS

Land enough Scatter symbols in view and you will trigger the Rumpel Respins, where cash values are collected and special Booster symbols can land, with every new symbol that lands resetting the respins.

BOOSTERS

During Rumpel Respins, collecting 3 matching colour Booster symbols from the top tracker will trigger one of the 4 possible power ups: Life Boost, Reels Boost, Multiplier Boost or Prize Boost.

MAX MEGAWAYS

Look out for the lucrative "Max Megaways" modifier on any base game spin, which guarantees to land seven symbols on each reel for the maximum 117,649 ways and a shot at multiple cascades.
