Book of Time

Game ID: 1213/1214/1215/1216

FEATURES

IT'S A CLASSIC!

This bonus presents a twist of the classic Book-style of bonuses, with up to three specially selected symbols! When selected symbols land on at least 3 different reels, they spread to cover the whole reels and then pay anywhere, regardless of reel positions.

If more than one special symbol lands on 3 reels at the same time, they will spread and pay one at a time!

Activate the **It's A Classic!** / **Even More Classic!** / **The Most Classic!** bonus variants by landing 3, 4 or 5 Book scatter symbols at the same time in the base game! Each bonus respectively awards 10, 15 or 20 free spins, and starts with 1, 2 or 3 special selected symbols.

In **It's A Classic!** and **Even More Classic!** it's possible to upgrade the bonus to the next tier by landing 3 additional Book scatter symbols at the same time during the feature. Doing so selects one more special symbol and awards 5 extra free spins!

WHAT TIME IS IT?

Land 3 Clock Man scatter symbols at the same time in the base game to trigger this bonus with spreading wild multipliers!

Three clocks sit atop reels 2, 3 and 4, and turn on every spin to show a new time. If a Clock Activator symbol lands on one of these reels, the symbol positions from the top to the Clock Activator symbol will fill with wild Multiplier Clock symbols. The multiplier value will be determined by the time shown on the clock at the top of the reel!

Multiplier Clocks can have the following values: WILD, 2x, 3x, 4x, 5x, 6x, 7x, 8x, 9x, 10x, 11x, 12x

If more than one Multiplier Clock is part of a winning line, their multiplier values are first added together and then applied to the win.

BONUSHUNT FEATURESPINS™

When BonusHunt FeatureSpins™ are activated each spin is over 4 times more likely to trigger one of the two bonus games, for only 3x the bet!
