Game features

Monster Free spins

3 Scatters award 10 Free Spins. Every additional scatter awards 2 extra free spins. Wilds are converted to expanding wilds. The monster multiplier resets after each spin. Monster Free Spins are played with the same bet as the activating spin. If a scatter appears during the session, an extra free spin is awarded and the base value of the multiplier increases by one.

Scatter

3 Scatters award 10 Free Spins. Every additional scatter awards 2 extra free spins. Collect scatters to trigger power mode and unleash the Super Free spins game.

Wild

Wilds substitute any other symbol except the scatter. In Free spins, wilds expand to cover the whole reel.

Buy Free Spins

Players can buy into Free Spins with their choice of bet. 10-16 Free spins are randomly awarded.

Buy Scatters

Players can buy into Power mode with their choice of bet. 65 scatters are awarded increasing the collector and triggering power mode.

Power Mode

The player is awarded a random number of lives between 3-10. When a wild appears on the screen, it turns into an expanding wild which uses up a life. Power mode continues till all the lives are used. If the number of lives are less than the number of wilds on screen, the wilds are converted from left to right till no lives are left.

Monster Multiplier

A panel multiplier increase by 1 on every new cascade and resets to 1x when there are no more cascading wins. In the super free spins game it does not reset.

Super Free Spins

The same features as in Monster Free spins apply except the monster multiplier does not reset.

Cascades

Wins trigger a cascade. Symbols producing a win are removed, symbols from cascading reels fill the gaps. Cascades will continue until there are no further wins.

Game rules

Welcome to the Legend of Musashi, a high volatility 6×4 video slot game with avalanche cascades with monster multiplier, wilds, expanding wilds, power mode, monster free spins and a super free spins bonus game with unlimited monster multiplier!

ABOUT THE GAME

For years he has honed his skills to perfection, he is the greatest master of the double blade, a katana in one hand, a wakizashi blade in the other, he is ready to meet your challenge.

The game has a 6×4 panel and 4096 ways to win. When wins are formed, the winning symbols are removed, triggering the Cascade feature.

Each new cascade increases a monster multiplier by 1, and resets to 1x when there are no more cascading wins.

All symbols pay from left to right on adjacent reels starting from the leftmost reel except the scatter symbol. Wild substitutes for all symbols except the scatter. Only the highest win is paid per paying ways. Wins on different paying ways are added.

Wilds substitute for any other symbol except the Scatter.

When 3+ scatters land on the reels it unlocks the Monster Free Spins bonus game.

If less than 3 scatter appears on the screen, they get collected.

Collecting 650 scatters triggers the super free spins game.

Every 65 scatters trigger the power mode feature.

CASCADES
