Naughty Nick's Book

NAUGHTY NICK'S BOOK is a 6-reel, 3-row video slot game with 10 paylines.

In the base game the 6th reel is locked.

3 or more SCATTER symbols on any reel trigger FREE SPIN mode with an additional 6th reel, and an initial 8 spins. When FREE SPIN starts a random symbol is chosen to become a special expanding symbol!

The chosen symbol can form winning combinations across non-adjacent reels. When a winning combination is formed, then all chosen symbols expand.

The SCATTER symbol acts like a WILD symbol, and substitutes for all symbols. WILDS do not take part in winning combinations of expanding symbols.

The game also features an optional Gamble round that provides an opportunity to multiply the total prize on any spin in the main game by correctly guessing the colour or suit of a hidden card. The Gamble round can be played up to five times in a row. Gamble feature will not impact the overall RTP.
