GAME FEATURES

BASE UNLOCK

When all reels are unlocked in the Base Game, player is instantly awarded 2 Free Spins with unlocked, random multiplier. They are automated spins. After they are completed, the game return to its Base Game state or, if 3+ Scatters landed during Free Spins, is moved to the Bonus Round.

GAME FEATURES

PREBONUS REWARDS REELS

When a player lands 3 or more Scatter Symbols, they enter Free Spins - before that happens, they will go through Pre-Bonus Rewards Reel that will modify their Free Spins with chances to get them to a more rewarding starting point. The Reward Reel is a special “reel” that moved from left to right to display each of the possible Rewards, giving a spin through them to land on math predetermined outcome. The rewards are

greatest for triggering free spins with 5 scatters and the least for triggering free spins with 3 scatters. The possible rewards are:

Number of Free Spins: 5, 6, 7, 8, 9, 10

Starting Ways: 486+, 2048+, 6250+

Starting Multiplier: 1x, 2x, 3x, 4x, 5x

Multiplier Increment: +1x, +2x, +3x, +4x, +5x

GAME FEATURES

SCATTER COLLECTION AND HIGH PAY UPGRADE

The Scatter Symbols are collected during the Free Games. Every third Scatter Symbol collected upgrades a randomly selected High-pays symbol's pay table with a x5 or x10 Multiplier. If a symbol that already is upgraded to x5 Multiplier is chosen as a next reward, it will upgrade to x10 Multiplier.

GAME FEATURES

POPWINS™

Winning symbols 'Pop' and 2 new symbols appear in their place

Each reel can reach a maximum of up to the 6 symbols in the base game and 7 in Free Spins

PopWins™ ends when there are no more wins in the panel

PopWins™ are played with the same bet as the base game

GAME FEATURES

BONUS ROUND UNLOCK

Fully increasing all reels to 7 symbols high in Free Games (Unlock), rewards the player 2 additional free spins. In addition, at the moment of unlock a random amount of Low Symbols (from 1 to 5) will be removed from the reels and for the duration of the Free Spins.

GAME FEATURES

WILD SYMBOL

GAME RULES

PLAYING

- Press the spin button to play the game
- Select your bet size on the Bet Level interface
- Press the Autoplay icon to open the autoplay settings (if applicable)
- The game panel will display your current bet size, current win, and current balance

HOW TO CALCULATE WINS WITH “WIN ALL WAYS”

- To calculate your total WIN ALL WAYS win, add all your symbol wins together
- To calculate a single symbol win, count the number of subsequent reels that contain the symbol, starting from the left or the right
- If the number of subsequent reels containing the symbol is three or greater counting from the left, find the corresponding win amount in the payable, otherwise, if the symbol was not present on three subsequent reels counting from the left, count from the right

GAME RULES

- If the number of subsequent reels containing the symbol is three or greater counting from the right, find the corresponding win amount in the paytable
- If any of the reels contain more than 1 instance of the winning symbols, the win will be multiplied. Multiply the number of symbols on each of the reels to get the final multiplier. For example, if the first reel contains 2 symbols, the second reel 3 symbols, and the third reel 2 symbols, the paytable value is multiplied in the following manner: $2*3*2=12$ (total multiplier)
- 5 of a kind wins only pay from one side
- During gameplay, different way wins are added together

POPWINS™ FEATURE

- Winning symbols 'Pop' and 2 new symbols appear in their place
- Each reel can reach a maximum of up to the 5 symbols in the base game and 7 in Free Spins
- PopWins™ ends when there are no more wins in the panel
- PopWins™ are played with the same bet as the base game

GAME RULES

BASE GAME MULTIPLIER

- When a reel is unlocked player is rewarded with the x2 Multiplier for the first reel unlocked and an additional +x1 Multiplier for every other unlocked reel (to a maximum of x6)
- After all re-spins are complete in a cycle, the final winning is multiplied by the sum of all add multipliers

GETTING INTO FREE SPINS

- Landing 3, 4 or 5 Scatter symbols during Base Game trigger the Free Spins Mode
- You can also buy the Free Spins Mode for 100 bets by pressing the “Buy Bonus” button
- You can also buy the maxed-out Free Spins Mode for 300 bets by pressing the “Buy Bonus MAX” button

FREE SPINS GAMBLE

- Before playing Free Spins, you have the option to gamble your Free Spins
- Winning the gamble gives you more starting lives and taller reels, losing the gamble takes you back to the base game without playing the Free Spins

GAME RULES

- You can gamble up to twice
- The starting lives are 3 and starting reels are 3 symbols high.
- Win one gamble to increase starting lives to 4 and starting reels are 4 symbols high.
- Win another gamble to increase the starting lives to 5 and starting reels are 5 symbols high.

PLAYING FREE SPINS

- During Free Spins only two Symbols can appear on the reels - Scatter Reward and Heart symbol
- When a Scatter Reward lands on a reel the player wins the value that is printed on it. Then the Scatter Reward becomes sticky and is held for the entire duration of the Free Spins. Winning on a Scatter Reward also expands the reel by one
- When a Heart symbol lands on a reel the player gains +1 or +2 additional Lives for this Free Spins, indicated on the Lives Counter. Then the Heart symbol becomes sticky and is held for the entire duration of the Free Spins
- Unlocking a reel in Free Spins upgrades all Scatter rewards on that reel by one level

GAME RULES

- The progress of unlocking the reels in Free Spins does not reset between each spin - all reels expansion are held for the duration of the entire Free Spins
- During Free Spins Scatter Rewards can Upgrade to a higher value
- For an Upgrade to occur, a correct number of same value Scatter Rewards have to appear on the reels - when they do, they upgrade to the next possible value. To upgrade again, they require one additional Scatter Reward of the same value. This continue until no further upgrades are possible and trigger whenever a new Scatter Reward lands on reels that would match to upgrade

RETURN TO PLAYER

- The return to the player is 96%

RANDOMIZATION

- The reels are spun with a fair and equal chance for each stop position by a certified random number generator.

Base Game Unlock

"When all reels are unlocked during Base Game, a random amount of Low Symbols are removed from the Reels and a player is rewarded with 2 Free Spins with unlocked Multiplier starting from 1x, 2x or 3x.

Additional x1 or x2 multiplier is added to the Multiplier Counter on each Spin.

Rewards Reel

Before playing Free Spins you'll enter a Reward Reel screen. Here four rewards will be randomly drawn from a reel - the reward are:

Starting Free Spins: 5, 6, 7, 8, 9, 10
 Starting Ways: 486+, 2048+, 6250+
 Starting Multiplier: 1x, 2x, 3x, 4x, 5x
 Multiplier Growth: +1x, +2x, +3x, +4x, +5x

Free Spins Unlock

When all reels are unlocked during Free Spins add 2 additional Free Spins to the counter and a random number of Low Symbols is removed from the reels for the remaining duration of the Free Spins round.

Free Spins

Collecting 3+ Bonus Symbols during Base Game triggers Free Spins. Free Spin reels start at 3, 4 or 5 symbols tall and can increase up to 7 symbols tall. The progress of unlocking the reels in Free Spins does not fully reset between each spin. It is only reset down to the shortest reel height.

Scatter Collection

During Free Spins Bonus Symbols are collected. When 3 Bonus Symbols are collected, a Monkey High Symbol visible on the counter will be upgraded to a Gilded version of the symbol which multiplies its value by x5 or x10. That symbol remains upgraded to a Gilded version for the duration of the Free Spins round.

After the upgrade, the Bonus Counter resets to 0 and another symbol is displayed to start the collecting again.
