

# Chicken Madness™

---

## Game description

The clucks just keep on clucking! Flap your wings in the direction of the all-new Chicken Madness slot to hatch endless egg-citing surprises. A pesky fox, a hungry cook and even Mervin, a good ol' villager, want to get their hands on the peculiar group of destructive chickens. But the question stands: who will win the battle between the two clans? With Mighty Cash features, massive Jackpots and Extra Bonus Spins on the loose, head to the coop and go wild on the reels of BF Games' latest drop.

## Marketing description

A ruckus broke loose at the farm! Hold your beak up high and get ready to dash through the reels of the new Chicken Madness slot with farm-tastic rewards snug under your wing.

Featuring bright and comedic graphics, Chicken Madness features a 5-reel and 3-row setup. Your goal is to sneak past all those who want to get into your feathers, from a crazed cook, a sneaky fox and Mervin the villager, whilst keeping your prized treasures safe and sound. The endless battle between the wacky chickens and those who seek them just might come to an end with your help!

It's never a bad idea to keep your eyes out for helpful boosts when waddling onto your journey. You could potentially hunt down useful Cash symbols, in which landing five or more triggers the Mighty Cash feature and rewards you with Bonus Spins. Here's a little secret: if you end up with a full screen of symbols, you could also be dosing upon an impressive x2 Multiplier. Running into Grand Jackpots is also a possibility, and let's just say that any of the mysterious Jackpots lingering around are no chicken feed! Come

across some Wild symbols? No need to chicken out! They'll disappear and substitute any symbols on the reels, besides the Cash symbols — now THAT is mad!

Extraordinary gameplay and hen-tertaining features have all been cooped up in one crackin' slot, so give it a visit and go berserk!
