

Hot Fruits on Fire

Flickering lights, cigar smoke, and an electrifying atmosphere full of expectation. Go back in time with this retro fruit slot, a true casino classic.

About the game

Take a trip down the memory lane with a classic retro fruit slot, now reimagined to satisfy the desires of even the most demanding players. The polished fruits and smooth audio are guaranteed to transport you back in time, while the prize multiplier will maximize your winning potential and make the gameplay even more satisfying.

On the reels, you will find the traditional symbols of a fruit slot – a 7 symbol, a watermelon, orange, plum, and lemon, all polished and glistening against the fiery backdrop of the game.

Game mechanics

Hot Fruits on fire is a classic 3-reel, 3-row, and 5-line game that pays from left to right.

Multiplier Feature

The only feature in the game is a Prize Multiplier for filling the entire field with the same symbol. When this occurs, all winnings during this spin are multiplied x2.
