ABOUT HOOTIE'S FORTUNE

There's a world of hidden riches in Hootie's Fortune. But he is up to share his wealth with whom wants to share his adventure!

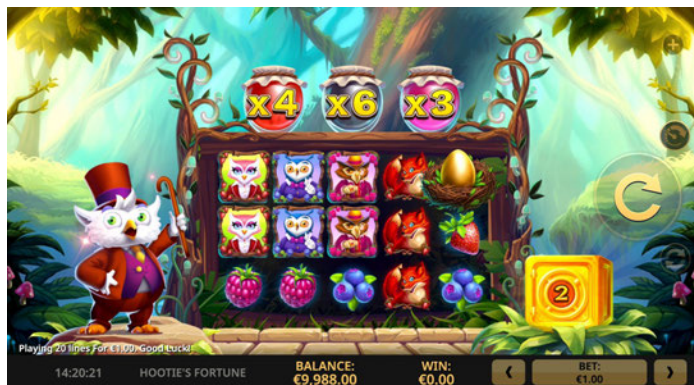

Example of Desktop Base Game

Welcome to a multiplying fantasy, with increasing multipliers both in the base game and the bonus round. Form winning lines with fruits to fill the meters and gain multipliers. Or collect golden eggs and ensure high multiplier amounts in the bonus round! And stick around Hootie because he's waiting to grant you even more multipliers!

With a friendly and captivating gameplay, a Hootie's comeback, and multipliers to boost your rewards, there's nothing like it. And as you play, your progress is saved along the way. That means you can take a break from your adventure and come back when you're ready for more.

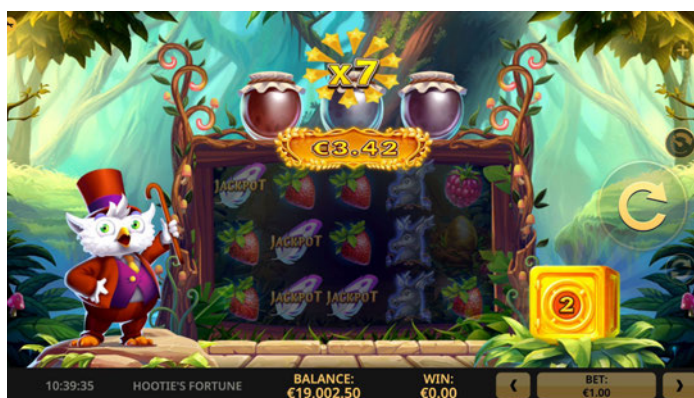

FEATURES

Increasing multipliers

Increase the base game multiplier meters by forming winning lines with 3 low pay symbols of a kind, one kind for each multiplier meter. Multiply your payout by the corresponding multiplier on a winning line with mid or high pay symbols. Collect eggs to increase the starting multipliers' amount on the bonus rounds.

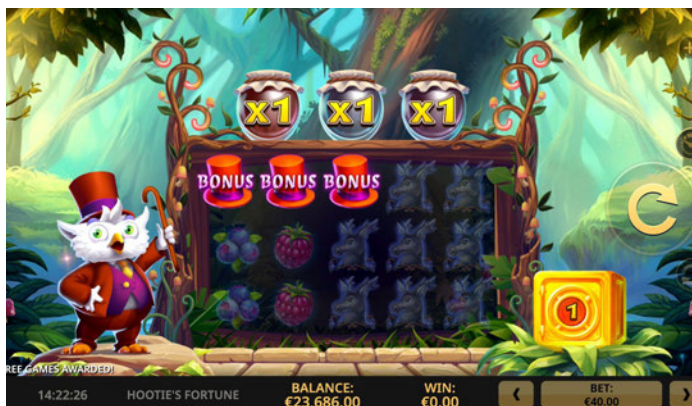

Jackpot symbols

Winning lines with a jackpot symbol will multiply the payout by the sum of **all** multipliers.

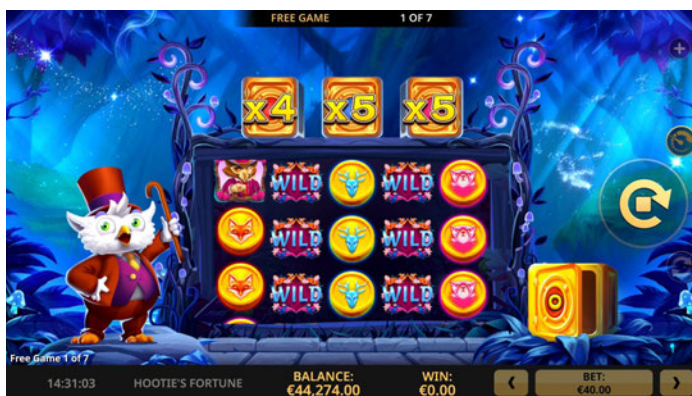

BONUS

7 to 20 Free Games

Collecting 3 to 5 Bonus symbols award from 7 to 20 free bonus games. The multipliers meters in the bonus round start with 2x each.

Bonus multipliers

Each egg collected during base game will increase a random multiplier in the bonus round: +1x for each feather collected. In addition, Hootie will add random extra multipliers each spin. The start amount is 2x for each multiplier.
