

## Red Tiger presents: Hammer Gods

Step into a world of Norse mythology, and play with the mighty Hammer Gods. Are you strong enough to wield the bellows? Watch them forge beautiful works of protection, alight with power and magic. Experience the might of the Brokkr Hammer, where its appearance turns all low-paying symbols into a single high-paying symbol type when triggered. Following execution turns one high-paying symbol type into a better high-paying symbol type. Test your creativity and your mastery of metals, and travel beneath the mountain. See if you're worthy to work alongside the gods - enjoy the thrill and the heat of the forge! What are you waiting for?

<b>Jackpot Contributions</b>	1%, 2%, 3%, 4%, 5%, 6%

#### About Red Tiger Jackpots

Like all Red Tiger slots, Hammer Gods may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.72% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.72%. The RTP of the jackpot contribution itself is 100%.

# FEATURES IN THE GAME

## SUPER SYMBOLS

1x2 non-paying SUPER SYMBOLS activate a feature for the duration of the current spin when only one of the symbols appears on the reels. The RED HAMMER only appears on the second reel and the BLUE HAMMER only appears on the fourth reel. Landing only the RED HAMMER on the reels triggers the BROKKR FEATURE up to three times. Landing only the BLUE HAMMER on the reels triggers the SINDRI FEATURE up to three times. SUPER SYMBOLS that have activated a feature turn into WILD SUPER SYMBOLS. Both RED & BLUE HAMMERS on the reels will instead activate FREE SPINS.
