

NEW GAME LAUNCH

RELEASE: 16 SEPTEMBER 2026

INFERNO ROULETTE

FEEL THE HEAT. HIT UP TO **2000x**

GAME OVERVIEW

Inferno Roulette reimagines classic European Roulette with a high-volatility twist. Every round features **1 to 10 Lucky Numbers** with enhanced multipliers up to **2000x** on Straight Up wins.

HOW IT WORKS

- 01**

Betting Phase

Place your bets. Optionally activate Bonus Buy to cover all Lucky Numbers.
- 02**

Lucky Numbers

1 to 10 numbers are randomly selected and assigned multipliers up to 2000x.
- 03**

Inferno Event

Occasionally, the table erupts, revealing extra multipliers or more Lucky Numbers.
- 04**

Winning Spin

The dealer spins the wheel. Hit a Lucky Number and win its multiplier (up to 2000x).

KEY FEATURES

Live Multiplier Overlays

New technology displays multiplier overlays directly on the live roulette layout, connecting each Lucky Number to its multiplier in real time.

Inferno Event

Epic lava reveal that discloses additional multipliers or more Lucky Numbers for maximum thrill.

Bonus Buy

For a fixed price, the game automatically places one chip on every Lucky Number after they are revealed.
