FREE SPINS WITH UPSIZER™

Free Spins symbols appearing in any position on the reels award up to 20 free spins. Activate one of four UPSIZER™ options to increase your starting cash symbol multiplier up to 10x! In Free Spins the reel deck expands from 3 rows to 5 rows and 10 additional lines are in play. Lucky Lad Flynn appears on all reels and accumulates to a trail above the reels where more free spins and higher cash symbol multipliers can be unlocked!

REEL IN CASH AND JACKPOTS!

Lucky Lad Flynn collects all random cash awards that appear on the reels as well as Pot of Gold symbols with Jackpots up to 5000 times bet! Look out for the Fish Flurry on spins where Flynn lands with no other wins – this feature will add 1 to 5 cash symbols that Flynn will immediately reel in!
